**DISCLAIMER:** *This outline in no way substitutes for undergraduate advising offered through the Office of Advising & Evaluations. For additional information please visit: <http://advising.sdsu.edu/>.*

**International Experience:** All SLHS majors are required to participate in an international experience to increase awareness of cross-cultural issues, global health, economic, political, cultural, social services, and health challenges experienced by local populations in international environments. Students participate in residence for two or more weeks (exemption from the study abroad portion of the requirement must be approved by the dean of the college based on serious and compelling life events or physical limitations; a relevant course and community service activity in the U.S. will be substituted). Specific details can be found on the college website at <http://www.chhs.sdsu.edu/international>.

**Language Requirement:** As a student receiving a Bachelor of Arts degree in Liberal Arts and Sciences you must satisfy the language requirement by demonstrating competency in a language other than English. This competency can be demonstrated by:

- Completion of a third college semester of a fifth college quarter in a language other than English.
- Successfully completing the fourth-year level of high school courses in a language other than English.
- Graduating from a high school (where English is not the major language of instruction) in a non-English speaking country.
- Passing of a language Advanced Placement (AP) examination. For specific passing criteria please see the [SDSU course catalog](#).

**Transfer Students:** Please use [SDSU Transfer Admission Planner \(TAP\)](#) to find the equivalent community college or junior college courses that will transfer to SDSU. Transfer students must have an overall 2.75 GPA in order to apply to SDSU and declare the SLHS major.

**Requirements for entering Upper Division Courses:**
